Planner

Planner is a project management tool that can connect with all your contacts. It displays tasks and projects clearly so you can keep track of who is doing what, when and where for collaborative projects.

OneDrive

is cloud-based storage. You can access your files securely from any device - all you need is an internet connection, and you can work anywhere.

OneNote

is a digital notebook. You can use it to gather all of your notes, in any medium, and share them with others. OneNote Class Notebooks allows you to take your teaching online with real-time engagement and interaction.

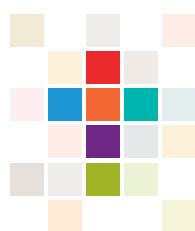

Yammer

is our social network that helps you get connect with colleagues and share information across the CEWA system. No more email tennis. Get on to yammer to keep up with discussion.

Stream

Share, rate and discuss video content in a safe environment with no ads.

LEADiNg Lights

Catholic Education Western Australia is moving to a new online identity, beginning with your new CEWA email address.

`Preferredname.surname@cewa.edu.au`

This new email will give all staff access to CEWA 365 and the new professional learning portal, Curiosity Academy. Use this guide to understand how new digital tools support the future of teaching and learning in your school.

Sway

is an app that allows teachers and students to create and view interactive class materials, reports, newsletters, and presentations from any device. You don't need expensive software to use Sway - just a browser.

Forms

allows teachers and students to quickly and easily create custom quizzes, surveys, questionnaires, registrations and more. When you create a quiz or form, you can invite others to respond using any web browser or mobile device. As results are submitted, you can use built-in analytics to evaluate responses.

Curiosity Academy

is the place CEWA teachers go to create and explore engaging collaborative learning courses. Designed with a beautiful interface and intelligent analytics, Curiosity Academy recommends courses relevant to you, and lets you know about content people loved.

Outlook

Outlook is your online email, connected to your calendar and contacts. It includes a terrific range of add-ins that allow you to do more through email than ever before.

Calendar

Anywhere, anytime-access calendar. Forgot your computer? Don't worry. Your calendar can be accessed from the CEWA 365 portal with same features as an offline calendar.
